

Trades Day Sponsorship Packages

Trades Day will be held in March 2020.

The Jacksonville•Onslow Chamber of Commerce partners with Coastal Carolina Community College to host this annual competition for vocation- focused high school students in Onslow and Jones County High Schools. Trades Day gives these students an opportunity to be recognized for their talents. With the generosity of local businesses, students are awarded practical gifts and tools to celebrate further. Last year's Trades Day hosted 125 students and over 100 community supporters. The Jacksonville•Onslow Chamber of Commerce hosts this event in an ongoing effort to promote workforce development and growth in our community.
