

Leadership in Action Application Instructions

Leadership in Action is designed to create a corps of leaders dedicated to the betterment of the community through service. Participation is open to recognized and emerging leaders as well as those persons demonstrating leadership potential. The program seeks men and women who have achieved leadership positions within their field who are likely to be tapped for community service.

Participants will be chosen by the Advisory Committee and are subject to the approval of the Executive Committee of the Jacksonville•Onslow Chamber of Commerce. The committee seeks representation from a cross section of the community – labor, business, education, government, community service, the arts, the professions, health care, religion, and ethnic and minority groups. Applicants associated with Chamber member businesses in good standing are given first consideration.

A class of 12 individuals will be selected to participate in this year’s class. Since the number of selections is limited, applicants who are not selected are encouraged to reapply in subsequent years. The program begins in September and ends in June.

Refer Questions to Laurette Leagon at 347-3141 ext. 221 or email at president@jacksonvilleonline.org. Program fee which includes Association membership is \$375 for Chamber members and \$475 for non-members. Application deadline is August 31,2020.
